Dear parent/guardian,

In class we have been reading Matilda and would like to watch the movie to make comparisons between the movie and the book. As part of the national curriculum the outcome asks students to “think imaginatively and creatively about familiar topics, ideas and texts when responding to and composing texts.” This includes students looking at digital texts (which includes DVD) for educational purposes and for enjoyment. As the movie is rated PG permission is needed.

I give permission for my child _________________________ to watch movies rated PG.
